Every Child Matters Change For Children

"Shape, space and measures is about how through talking about shape and quantities, and developing appropriate vocabulary, children use their knowledge to develop ideas and to solve mathematical problems"

Jigsaws are great for children to learn about how shapes fit together - we've got lots of different jigsaws and shape sorters in the library suitable for all ages and abilities!

Cost for hire:
25p for 4 weeks

Merry Christmas and a Happy New Year!!

**The library is closed the week beginning
Monday 28 December 2009
and will open again on
Monday 4 January 2010.**

The MetroCentre has kindly donated some money to the Toy Library and we want your help to spend it!

Is there anything you would like to borrow which we don't currently have?

Please get in touch and give us your suggestions and we'll let you know which toys were chosen next month!
