Every Child Matters Change For Children

"Self confidence and self esteem is about children having a sense of their own value and understanding the need for sensitivity to significant events in their own and other people's lives"

There are a wide range of puppets in the library. These are great for encouraging self-confidence in children, as well as developing language and literacy skills. Please ask if you would like to hire a book to go with your puppets!

Cost for hire:
25p for 4 weeks

There are currently some opportunities for volunteering in the Children's Centres and Toy Library.

If you would like to get more involved in supporting and running events and sessions at your local centre, then please get in touch with Simon Wake on 0191 4335118.

Thank you to everyone who attended our Halloween event - we really enjoyed all the arts and crafts!
