"The toys in the library  
are fantastic -  
such a great choice  
for the little ones"

## Every Child Matters Change For Children

"Designing and making is about the ways in which children learn about the construction process and the tools and techniques that can be used to assemble materials creatively and safely"

Construction blocks are good for developing hand-to-eye coordination, especially to develop good reflexes. We have a wide range of different blocks suitable for different ages.

Cost for hire:  
50p for 4 weeks

### Half Price membership And Crafty Creations

On the first day of half term,  
Monday 26 October,  
the Toy Library is offering half price  
membership to all new members who  
come to Chowdene Children's Centre.

There will be some craft activities going  
on in the library all day so the children  
can make masks and decorations for  
Halloween,  
come along if you're already a member  
or if you would like to join.
